INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

January 30, 2002

Sir:

Applicants herewith submit a list of references including those cited during the prosecution of the parent applications, U.S. patent application Ser. Nos. 09/901,879, 09/849,559, 09/193,209, 09/128,490, 08/474,783 and 08/970,822, and additional references of which one or more of the applicants is aware. A copy of each of the references can be found in the parent applications or is enclosed herewith.

This submission does not represent that a search has been made or that no better prior art exists. While the term "reference" is used in citing each of the publications called to the Examiner's attention herein, applicants do not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicants reserve the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.
